## REFLECTIONS

Hebrews 12:27 – this phrase, “yet once more indicates the removal of what is shaken, as of what has been made, in order that what cannot be shaken may remain. Therefore let us be grateful for receiving a kingdom that cannot be shaken, and thus let us offer to God acceptable worship, with reverence and awe, for our God is a consuming fire.

❑ The month saw all that can be shaken immobilized. Our vehicle broke down in Kikuyu 30km from Nairobi (when coming back from Nairobi). We had to leave it there, hire a taxi and it was there for three days being worked on.

❑ The month also saw all our computers and my laptop corrupted. They were slow and when a technician came to fix them, he put an antivirus that corrupted them. This caused us to lose all data and photos including what was stored in the disk.  
Where in Matumaini does one get computer service?

❑ Thursday the 11<sup>th</sup> September 2014, I left the office, that evening feeling frustrated and very low, as I could not proceed. That evening I received devotions for the following day in my email: PS 66:6 ‘He turned the sea into dry land; they passed through the waters on foot’

- ❖ The Lord can turn any situation around
- ❖ You may have your back against a wall. He can handle it
- ❖ He made a way for His people to cross the sea
- ❖ He will make a way for you and bring you to the other side

I realize that my faith in God should not be shaken, I knelt down and worshipped God who is well Able...

Rev. Florence Habwe  
**Centre Director**
